In forwarding herewith, in original, the file of correspondence received from the Sagar Town Municipal President's Memo No C73/42-43 dated 12th August 1943 on the subject noted above, I have the honour to state as follows -

2 The authorities of the Education Department applied to the Sagar Town Municipal Council, for grant of a site to the Department for construction of Kannada Boys' School at the place The question was first considered by the Municipal Council at its meeting held on 5th January 1943, when it was resolved that the site asked for might be granted at an upset price viz , 0-8-0 per Square Yard

3 The Municipal President states that at the request of the authorities of the Education Department, the question of reducing the upset price was considered by the Municipal Council at its meeting held on 5th July 1943. when a resolution was passed to the effect that the site applied for might be granted at a reduced rate of 0-6-0 per square yard (vide Resolution, Copy enclosed in the records for kind - reference)

4 The plan of the property, i e , the Municipal site proposed to be granted is enclosed in the records. It is seen therefrom that site measuring 200' X 150' or 33331/3rd square yards. at six annas per square yard, the total cost works out to Rs 1250/- The Municipal

Council, Sagar, are agreeable to dispose of the site in question at the rate specified above

5 The Deputy Director of Public Instruction in Mysore, Bangalore, states (vide his letter No B2 S600-396/41-42, dated 1st May 1943. - addressed to this Office and forwarded herewith) that the funds required in this connection will be made available in the Budget of the Education Department under 26(11)(A) buildings - acquisition of lands and unforeseen items

6 As the upset price fixed on the site in question exceeds Rs 10(the Municipal President requests that sanction of Government might be - obtained to the disposal of the proposed site to the Education Department under Section38(2) of the Town Municipalities Act

7 In these circumstances, I request that sanction of Government may kindly be obtained to the grant of the vacant site measuring - 200' X 150' or 3333⅓ square yards at six annas per square yard by the Sagar Town Municipal Council, to the Education Department, for the Construction of Panrada Boys' Middle School at Sagar Town
